Average Fuel Economy Standards—Model Years 2008-2020; Request for Product Plan
Information**

In the March 3, 2009 Federal Register, NHTSA requested product plan information for model years 2008-2020. We have provided the requested information (all of which is confidential) to the Chief Counsel's Office by a separate mailing.

If you have any questions regarding this response, please contact me or Barbara Kiss of my staff at (313) 665-2964.

Sincerely yours,

Alan R. Weverstad
